

EVENTS AT A GLANCE

WEFTEC 2024

WATER & ENERGY FORWARD: GROWING RESILIENCY & SUSTAINABILITY FOR MANUFACTURERS & UTILITIES

Date: Monday, October 7

Where: SDG Theater - Drinking Water Pavilion (Booth #2953)

Time: 1:30 - 2:00 PM

Following the success of The Water Council achieving an NSF (National Science Foundation) Regional Innovation Engine development award for water and energy resiliency, Dean Amhaus, CEO of The Water Council and Mike DeNoma of Rockwell Automation will share how corporations, manufacturers and utilities can approach resiliency.

WATER INNOVATION CLUSTERS: MEET AND GREET

Date: Tuesday, October 8

Where: Innovation Pavilion (Booth #1053)

Time: 12:30 - 1:00 PM

Meet The Water Council (Dean Amhaus), Cleveland Water Alliance and Current.

GLOBAL INNOVATIONS FOR RESILIENCY AND SUSTAINABILITY

Date: Tuesday, October 8

Where: Innovation Pavilion (Booth #1053)

Time: 1:00 - 1:30 PM

Join Karen Frost of The Water Council as she speaks with 2024 BREW Cohort Members, Simon Lebond of SmartD and Tracy Kessner with Avid Water Technologies.

BUILDING THE LOCAL AND GLOBAL WATER WORKFORCE

Date: Wednesday, October 9

Where: Global Center Stage

Time: 9:00 - 10:00 AM

Join us for an informative panel conversation with The Water Council, Veolia and Watura to hear about our joint workforce initiatives, collaboration in the US and France and beyond and how we're jointly supporting the water workforce and the next generation of emerging water leaders. We'll also talk about how this relationship extends to the DoD and US Civil Affairs and our reservists.

Dean Amhaus, President & CEO, The Water Council (session host)
Karine Rougé, CEO Municipal Water. Member of the Veolia Group Management Committee and Chairwoman of NAWC, and
Sebastien Rigal, CEO, Watura
