

Landing pad in the world water hub for global water companies entering North America and U.S. businesses looking to launch, grow and discover new opportunities.

# Oasis Coworking Community

Global Water Center | 247 W. Freshwater Way | Milwaukee, Wisconsin 53204 USA

The Oasis Coworking Community is a shared, collaborative workspace housing companies from around the world and around the region looking to tap the growing network of industry resources located in Milwaukee's water technology cluster.

The Oasis is approximately 1,000 sq. ft. (93 sq. m.) and located within the Global Water Center – a seven story, 98,000 sq. ft. (9,104 sq. m.) facility housing water-centric research, office and collaboration facilities for over 45 organizations. The workspace provides a variety of flexible term lease arrangements and affordable pricing to accommodate entrepreneurs and small businesses in Wisconsin, as well as national and global organizations.

# Q&A

## What types of packages are offered (single desks, private offices, etc.)?
