

OVERSEAS MEMBERSHIP

An overseas membership with The Water Council (TWC) is the perfect way for water-tech companies based outside the U.S. to connect with a dynamic network of water tech professionals sharing a strong commitment to solving global water challenges.

ROBUST INDUSTRY NETWORK

Membership opens new opportunities for members to find and connect with our diverse member network, comprising more than 180 organizations spanning 17 U.S. states and 11 countries including businesses, government agencies, academia, non-profits and utilities.

+180 MEMBERS
29 PARTNERS
200 COMPANIES

TECHNICAL ASSISTANCE

Our business development team will help support your growth through connections to technical assistance, including product launch support (connections to supply chain, distributors and contract manufacturers), B2B matchmaking and access to labs, researchers and TWC executive staff.

CONNECTIONS &
B2B MATCHMAKING

A MARK OF QUALITY & VISIBILITY

TWC is well recognized and respected internationally and as a member, your company will have visibility in the online Global Directory and use of TWC's member logo to promote your overseas affiliation with our leadership network.
