

# OVERSEAS MEMBERSHIP

An overseas membership with The Water Council (TWC) is the perfect way for water-tech companies based outside the U.S. to connect with a dynamic network of water-tech professionals sharing a strong commitment to solving global water challenges.

## ROBUST INDUSTRY NETWORK

Membership opens new opportunities for members to find and connect with our diverse member network, comprising more than 180 organizations spanning 14 U.S. states and 6 countries including businesses, government agencies, academia, non-profits and utilities.

**+180 MEMBERS**  
**29 PARTNERS**  
**200 COMPANIES**

## RESEARCH & COLLABORATION

A user account on the Global Water Port, an online research and collaboration tool with access to thousands of water-related databases and resources, and a personal demonstration to establish your dashboard.

**GLOBAL WATER PORT**  
**USER ACCOUNT AND**  
**CUSTOM DEMO**

## A MARK OF QUALITY & VISIBILITY

TWC is well recognized and respected internationally. As a member, your company will have visibility in the online Global Directory and use of TWC's member logo to promote your overseas affiliation.

**COMPANY PROFILE**  
**IN ONLINE GLOBAL**  
**DIRECTORY**

## SOFT LANDING FACILITIES AT THE GLOBAL WATER CENTER

Enjoy two free weeks followed by discounted rates in the Oasis Coworking Community, a collaborative workspace in the Global Water Center – a state-of-the-art water business and research facility – with ready-to-go desk space, and amenities including meeting space and wet laboratories\* and access to technical assistance, research partnerships and networking opportunities.

**2 FREE WEEKS**  
**IN THE OASIS**

## PRODUCT & TECHNOLOGY VALIDATION

Access to TWC's Pilot Program that supports the progression of new technologies from the lab to real world sites to test practical application. The program provides support services, pilot site selection and funding.

**ACCESS TO PILOT**

**IN WISCONSIN**

## YOUR GLOBAL WATER TECH HUB

*\*Access to wet labs is at the discretion of lab managers.*

“ONE OF MY BELIEFS IN BUSINESS IS THAT ONE PLUS ONE SHOULD EQUAL THREE. TO SUCCESSFULLY SCALE UP IN BUSINESS, YOU NEED TO LOOK FOR WAYS TO VALUE ADD, LEVERAGE AND NETWORK. AND THAT’S WHAT THE WATER HUB IN MILWAUKEE HAS DELIVERED TO US. WE’RE PLUGGING INTO AN INFLUENTIAL AND WELL-ESTABLISHED INDUSTRY NETWORK, HELPING US TO MAKE BETTER INFORMED DECISIONS AS WE GROW OUR CLIENT BASE IN THE U.S.”

–PAUL HATTEN, CEO OF BIOGILL® FROM AUSTRALIA
