

# WATER LEADERS SUMMIT

## SPONSOR WATER LEADERS SUMMIT 2021

Let's work together to promote **thought leadership in water technology** through Water Leaders Summit 2021! You can show your support by **sponsoring our virtual event** experience, premiering in July and featuring up to eight moderated sessions over two weeks. Going virtual enables us to **remove geographic boundaries** for maximum reach, opening up opportunities for attendees to **join from anywhere** and **giving your brand global visibility** as a water technology champion.
